RE: Sandoval v Oberland Et. Al. USDC WD # 3-17-CV 05667-RJB-DWC

Dear Judge Bryan,

First let me say that it is good to be able to say hello. I practiced before you many years back in Kitsap County and always respected you as jurist. I doubt that you will remember me, because it's been a couple of years, but I hope that you are well.

I'm now a public defender in King County (and have been for a couple of years) and I represent Bernardino Sandoval in a criminal matter pending in King County.

Mr. Sandoval has asked me to drop you a brief note about the posture of his case in King County.

Mr. Sandoval has been charged with Assault in the First Degree under cause number 18-1-01927-0KNT arising out of an incident occurring on or about March 13<sup>th</sup> 2018. The state has alleged that the complaining witness was stabbed in the back by Mr. Sandoval.

The state has also alleged that because of Mr. Sandoval's criminal history they believe that this is a third strike case and that should he be convicted, that Mr. Sandoval is looking at life in prison.

Mr. Sandoval was taken to arraignment on March 27<sup>th</sup> 2018, and we are hopeful that the matter will resolve in the next three to four months.

Again it is a pleasure being able to say hello and if you have any additional questions for me in regards to the status of Mr. Sandoval's case please do not hesitate to call or write at your convenience.

Sincerely,

Jim Conroy (206) 477-9211
